

Blessing Maramba

Lecturer: Blessing Maramba (BSc (Hons) UZ, MSc WITS)

Tel: (+27) 016 950 9401

Email: blessingm1@vut.ac.za

Campus: Vanderbijlpark Campus

ORCID: 0000-0002-7034-2722

Bio: Mr Maramba is a lecturer in Metallurgical Engineering. He is an experienced pyrometallurgist with over fifteen years of industrial experience in ferrochrome and aluminium smelting processes. He has an interest in high temperature process optimization, refractory materials, and metallurgical thermodynamics.

Qualification & Institution: BSc Met Eng (Hons) UZ, MSc Eng (Metallurgy) WITS

Area of Expertise: High temperature process optimization and metallurgical thermodynamics.
