

Ms Letsabisa Lerotholi

**Lecturer - Department of Chemical and Metallurgical Engineering:** Ms L Lerotholi  
(AMIChemE, MSAIChE)

**Tel:** (+27)0169509765

**Email:** [lerotholi@vut.ac.za](mailto:lerotholi@vut.ac.za)

**Campus:** Vanderbijlpark Campus

**ORCID:** [0000-0002-2027-934X](https://orcid.org/0000-0002-2027-934X)

**Bio:** Ms L Lerotholi is a lecturer in Chemical Engineering with more than 13 years' experience as an academic in the profession. Ms Lerotholi has worked at the University of KwaZulu Natal (UKZN) as teaching assistant and lecturer and moved to the Vaal University of Technology (VUT) where she has continued with her role as a lecturer. She has also served as a moderator for several South African universities including MUT and CPUT. Ms Lerotholi has taught several undergraduate courses and has co-supervised several postgraduate students. Her research interests are in Clean Technology and Sustainability, Separations processes and Computational Fluid Dynamics (CFD) modelling, and has published several peer reviewed journals papers and attended conferences in these areas. She has been involved in curriculum development and currently chairs the community engagement committee of her department. Ms Lerotholi is an associate member of the Institute of Chemical Engineers (IChemE) and a member of the South African Institute of Chemical Engineers (SAIChE)

**Qualification & Institution:** BScEng (chemical) (UKZN), MScEng (chemical) (UKZN)

**Area of Expertise:** Clean Technology and Sustainability, Separation Processes, Computational Fluid Dynamics (CFD), Food Technology
