2024 4th IEEE International Multidisciplinary Information Technology and Engineering Conference (IMITEC2024) #60221

November 27 – 29, 2024

imitec2024submission@gmail.com

http://surl.li/wlpdeg

Important Dates

Late Submission Open

Deadline for full paper submission
~~June 30, 2024~~
OPEN FOR LATE SUBMISSION

Author Notification
July 26, 2024

Final Manuscript/Camera Ready
August 20, 2024

Early Bird Registration: Open until
September. 30, 2024

Normal Registration
Oct. 1 – Nov. 5, 2024

Conference Website:

www.vut.ac.za/imitec2024

Authors are invited to submit their original research work under the following themes and subthemes:

- Business Informatics and decision making
- Health informatics and decision making
- Collaborative e-commerce
- Ontologies for enterprise content management
- Data science and big data analysis
- Computational models for data science
- Data warehousing and data fusion
- ICT in agriculture, ICT for climate change
- Edutainment, digital divide, digital exclusion and digital identities
- ICT for education
- Robotics and process automation
- Machine learning, deep learning, reinforcement and pattern analysis
- Fuzzy control and intelligent systems
- Distributed systems
- Health networks and services
- Mobile and wireless communication
- Knowledge discovery and knowledge based systems
- Security, privacy and trust in collaborative computing
- Digital signal processing
- Intelligent and smart grid systems
- Intelligent home monitoring systems
  Check the conference website for a comprehensive list

Presentations will be both virtual and face-to-face

Host

Department of ICT, Faculty of Applied and Computer Science, Vaal University of Technology.

Contact: Prof. Tranos Zuva
Imitec2024submission@gmail.com

Venue:

Riverside Sun Hotel
Cnr. Wenning and Emfuleni Dr,
Vanderbijlpark, South Africa
